FLOOR **Elisir Dorato** 20x120 cm rett. - 8"x48" rect.

WALL Soda Rosa Corallo 6x24 cm - 2.5"x9.5"

The glossy material with a high decorative impact accommodates a delicate textural movement animated by differences in details and slight irregularities that affect the surface finish. The small sizes accommodate colour variations that make up a soft and variegated colour palette. Each piece in the collection looks different from the other, in an evocation of the craftsmanship of glassmaking that makes each creation unique.
